

Islip, NY – Islip Town Councilman Gene Parrington recently accompanied Brave Neighborhood Watch, Inc., as they tackled a new anti-graffiti campaign called “Paint Back the Streets 2.”

With the help of the Town’s Anti-Graffiti Unit truck, the neighborhood watch group and a handful of other volunteers were able to clean up over 25 locations. The efforts were bolstered by food donations from local businesses such as La Cubanita, 5th Avenue Lechonera, Campbell’s Bakery, and Little Joe’s Pizza. In addition, 5th Avenue Hardware and Home Depot donated paint supplies.

Pictured above are members of Brave Neighborhood Watch as they repaint a fence that had been defaced.
